2022 Leaders

As part of our commitment to promoting student leadership our College has maintained its tradition of appointing a Head Girl and Head Boy, Kainga Rua Falloon House Hostel Leaders and College House Leaders for 2022. To enhance our Student Leadership Team we have appointed six Senior Leaders who excel academically, culturally and on the sports field.

This year the process for selecting the Student Leadership Team involved students submitting an application that was endorsed by a staff member. The applications were short listed and students participated in a formal interview to a panel composed of Mr Brendon Mudge, Mrs Diane Pemberton and Miss Vanessa Te Huia.

Due to the disruption that COVID has had on school activity it has made it very difficult to run a College election for a Student Representative on the Board Of Trustees. The Board places significant value on the perspective and contribution of the Student Representative and as such feels that the role needs to be filled before the start of the school year. A sub set of the Board have reviewed the nominations and together with the College Leadership Team have made a recommendation for this position given the limitations outlined.

The Board thank all of those who put themselves forward for nomination.
